Make B.O.L.T a part of your daily routine for a healthier lifestyle. A quick measure of your vitals, as often as you require it, will keep you on the right track always.

Blood Pressure

Blood Oxvaen

Temperature

Blood Glucose

Hemoglobin

Cholesterol

B.O.L.T measures your body vitals with precision, interprets these readings through a set of complex algorithms and gives you accurate advice on the state of your health.

THE BENEFITS OF B.O.L.T

- The "happiness meter" on the B.O.L.T app helps you lead a healthy lifestyle in an interactive and fun way.
- Save yourself the time and effort in going to the hospital or waiting on the doctor for a simple check-up.
- It is compact portable and can be used on the go.
- With regular updates, the B.O.L.T app keeps you ahead with the latest in healthcare technology.
- With its mantra of 'prevention is better than cure', B.O.L.T keeps you well ahead of major illnesses.
- It helps you track, access and share your health record anytime anywhere - even with your doctor and your emergency contacts.

CHEERS TO LIFE!

B.O.LT tracks, stores and allows you to access your body's vital information for generations from a cloud database and even helps notify your physician in case of an emergency.

So why live without it?
